ATTENTION: Pro-Family Voters of Duval County

Dear Voters,

The most serious moral/biblical issue City Council and the Mayor's Office has dealt with over the last four years, was the passage of the Human Rights Ordinance (HRO) 2017-15, also known as an "Anti-Discrimination Bill". This local ordinance added the words "sexual orientation and gender identity as a protected class to the cities current discrimination laws. This bill was passed February 14, 2017 by a 12-6 Vote with since suspended council member Katrina Brown absent and not voting. Mayor Lenny Curry promised pastors in a meeting he would veto HRO, however he allowed this law to take affect without his signature on it.

This law impacts your family, church and business by stifling religious liberty of all Churches and Christian Businesses. It allows men into public restrooms or changing rooms of choice. This law is the current weapon of choice for radical LGBT activists to use the force or law to punish anyone that disagrees with this lifestyle.

*Proverbs 29:2: When the righteous are in authority, the people rejoice:
but when the wicked beareth rule, the people mourn.*

*Exodus 18:21 "Moreover thou shalt provide out of all the people able men,

to be rulers of thousands, and rulers of hundreds, rulers of fifties, and rulers of tens."*
